

# Natera welcomes all insurance plans

## We're here with you at every step

### Patient journey using Prospera™

**1** Your medical provider orders Prospera. Natera begins processing your sample

**2** You will receive a Welcome Call from Natera to answer any questions you may have concerning billing, logistics and what to expect

**3** You may be mailed an Explanation of Benefits (EOB) by your health insurance provider. **Remember: an EOB is not a bill**

**4** In the rare event you have financial responsibility\* for Prospera, Natera will call you before issuing a bill to review the financial assistance programs available

\* Prospera is covered by Medicare for assessing potential kidney transplant rejection; therefore we anticipate no patient responsibility in these instances.

In all cases, the Natera team is here to help you with any billing or reimbursement questions and needs at [650.273.4468](tel:650.273.4468).
